

PERSONALIZED, AFFORDABLE, LEGAL PROTECTION

Every year, Americans spend millions of dollars on routine legal needs, from incorporations and trademarks to last wills. Others put off creating essential legal documents because of the inconvenience and high fees.

As the nation's leading provider of online legal document services and legal plans to families and small businesses, LegalZoom has created a simple 3 step process for creating your own legal documents. LegalZoom will even file your documents with the appropriate government agency.

Completing the online questionnaire is free and easy. You can decide at the end whether or not you would like to purchase your legal documents.

Popular Legal Forms Include:

LLC, Incorporation, Trademark, Last Will & Testament and Personal Services.

3 STEP PROCESS
